

Social Media Policy

Trinity St. Andrews Church will follow the guidance in the two documents listed below which are in the Safeguarding section of the Church website:

- **Social Media Guidelines** (Word Doc)
- **Children and Youth social media and communications guidance for churches.** (PDF)

The Church Social Media Policy operates in conjunction with the Church’s Photography policy and with the Church’s Use of Zoom guidance. These are also displayed in the Safeguarding section of the Circuit and church websites.

This guidance and these policies will be reviewed and updated (if necessary) annually at the **March Church Meeting.**
